SAVAGE AXIS XD .243 WITH SCOPE

(stock photo)

FROM THE PRESIDENT, JOE LUTZ

Ladies and Gentlemen of Red Brush

The guns of the month were continued as not enough tickets were sold.

Respectfully,
Joe Lutz

Special Note on Red Brush Steel, ALAN COX

We need to expand the use of the range due to this popular event and due to social distancing, the need to split up the squads. This event will now be using Bays 1, 2, 3, 5, 6, 7, Members Room & the Fry House Shelter for sign-in to keep people from concentrating in the enclosed Members Room.

FROM THE RANGE OFFICER, FRANK FINDLEY

BOTTLENECK CARTRIDGES NOT ALLOWED ON PISTOL BAYS 1 & 2

There have been several reports of bottleneck cartridges being found on bays 1 & 2. This includes .17 HMR, .22 TCM, and 5.56 x 45/.223. These bays are for firearms using pistol caliber/non-bottleneck cartridges. Violation of this policy can lead to suspension from the club for 30 to 90 days.

The only stated exceptions to this rule are the following: .357 Sig., .30 Mauser and the Winchester .44-40. Other bottleneck cartridges designed specifically for pistols may be approved if of a low enough velocity. Please email if you would like to check on a specific cartridge.

ANOTHER REMINDER – NO EXPLOSIVES ON RANGE WITHOUT APPROVAL

With the Independence Day holiday taking on an additional meaning given, hopefully, the full rollback of COVID-19 restrictions in Indiana, many people are currently planning celebrations. And going to the range on July 4 will be an awesome part of that for many of us! Just please remember that explosives are not allowed on the range without explicit board approval. This includes the use of exploding targets such as Tannerite®.

PLEASE DO NOT USE BLUE BARRELS AS TARGET BACKERS

The blue plastic barrels are not approved targets. They are for use as props by the leagues. Shooting into them makes them dangerous for that purpose and therefore unusable. Use of them as target backers constitutes destruction of range property.

FROM THE GROUNDS CHAIRMAN, JEFF WEBBER

I would like to congratulate Brin Kozloski, Larry Steinkuhl, James Rumble, Gene Stahl, Andy Hogan, Tim Jackson, Don Wink, Ryan Cosby, Jeff Mattingly, Tom Gamache, Jeff O'Risky, Phil Sorensen, Matt Horton and Pete Tofani for earning their workday credit. A special thanks to Pete Tofani for running the show.

Pete and the crew got a lot accomplished.

For our next workday I am planning on continuing the table building. Calling all carpenters, bring your tools!

Also, we are going to trench wire to the new bays on the East end. I will need lots of help and equipment on this one.

We will also need to finish the brush clearing on the North East corner so bring your chainsaws!

If you can help with any of these tasks, please contact me so I can plan accordingly.

See you at the range.

Jeff Webber

LOST AND FOUND

Members continue to leave items behind at the range, and other members are really great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or mikemaurer@wowway.com) or Joe Lutz (812-431-3672 or joerlutz3@gmail.com).
