FROM THE PRESIDENT, JOE LUTZ

Members of Red Brush

The March general membership meeting has been cancelled. The Board of Directors will be meeting, virtually, on March 4, 2021 at 7:00 PM. Any member wishing to address the board may be included in this meeting. I am requesting those members forward to me the topic needing the board's attention. You will then be placed on the agenda and given instructions on how to join the meeting.

Please watch future newsletters for the return to in person meetings. Thanking everyone for their patience during the pandemic.

Respectfully,
Joe Lutz

FROM THE MEMBERSHIP CHAIR, MIKE MAURER

Renewal season has come and gone with a total of 1,285 current members. There were a number of members who passed away in 2020, a good number of members moved away, and a few who have given up on shooting due to age, health and interest. All in all, it was a good renewal exercise with the majority of members paying their dues on time. We are now getting a lot of new members with 40 new applicants in January and 17 in February.

FROM THE 2021 YOUTH DAY CHAIR, CHARLES HALLAM

It is time to start the 2021 Youth Day pre-registration, March 1st, at Red Brush. The pre-registration will be done through www.Redbrush.org (see below flyer). For our members, this is worth a workday credit to all volunteers. More to come!

Thank You,
Charles Hallam

LOST AND FOUND

Members continue to leave items behind at the range, and other members are great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or mikemaurer@wowway.com) or Joe Lutz (812-431-3672 or joerlutz3@gmail.com).

FROM THE RANGE OFFICER, FRANK FINDLEY

Alcohol at Range is Strictly Prohibited

There have been recent reports of empty beer cans found on the range. Red Brush has a zero-tolerance policy for the use of alcohol or being under the influence of any mind-altering substance. It is grounds for immediate ejection from the range facility and further disciplinary action, up to and including expulsion from the club. Please do not bring empty beer cans to the range as it creates questions of use prior to shooting and will spur ejection and an investigation.

TommyBuilt Tactical T36 Receiver Recall/Upgrade Notice

Recently the ATF has reclassified the semi-auto TommyBuilt Tactical T36 Receiver as a machinegun. TommyBuilt Tactical has implemented a program to replace existing receivers with ones compliant with the ATF's new position. If a T36 receiver is not returned for the upgrade, it will be considered contraband and subject to seizure. Details on the upgrade program can be found here: <https://www.tommybuilttactical.com/t36-upgrade/letter-of-explanation#>

Hearing Protection Act (H.R. 95) Introduced

As we live longer, protecting our hearing while shooting has become more and more important. Simply put, our hearing must last decades longer now than in the past. Of course, we all use muffs or plugs. But one of the best ways to protect hearing is by adding a sound suppressor to our firearm. Unfortunately, antiquated misguided laws add cost and red tape to owning these valuable safety tools. Towards this end, proposed federal legislation has been introduced to remove these hurdles. As noted by Lawrence Keane, National Shooting Sports Foundation Senior Vice President and General Counsel:

“This legislation removes barriers to owning an accessory that makes recreational shooting and hunting safer, more accurate and allows shooting ranges to be better neighbors. Firearm suppressors are a safety device designed to make recreational shooting safer. They were originally listed under the NFA over concerns of poaching during the Great Depression, but that never bore out. Even today, suppressors are exceedingly rarely used in crime.”

More details on this can be found here: <https://www.nssf.org/nssf-commends-rep-jeff-duncans-introduction-of-the-hearing-protection-act/>

Please consider contacting your representative to support this important piece of legislation.
