FROM THE RANGE OFFICER, FRANK FINDLEY

500 YARD OPEN RANGE TIME FOR THE MEMBERSHIP

To facilitate more access to the 500-yard bay, we will be hosting monthly half days where the 500-yard bay will be open to the general membership. During these times monitors will be present to help coordinate the status of the bay. The members will be able to place targets at any distance and all type of rifles can be used. The 400-yard bay will be closed at these times. The time of these shoots are being placed on the range calendar with the first one Saturday May 29 from 11:30 am to 4:30 PM.

REMINDER: WE MUST CLEAN UP WHEN WE ARE DONE SHOOTING!

We have had more reports of members leaving bays in disorder, especially with stands not brought in. It is the responsibility of each member to clean up after they are done at the range. This includes:

1. Return target stands to the storage area near the firing line. This will prevent the stands being hit by rounds damaging them and producing unpredictable ricochets. If you move stands from one bay to another, return them to the original bay.
2. Sweep up spent casings. This can be a slipping hazard. Brooms are provided on the bays for this reason.
3. Take 'dud' rounds home with you or place them in one of the dedicated buckets. Do not place them in trash barrels as the trash may occasionally be burned.
4. Deposit your trash in the provided barrels; especially any cans, plastic bottles, and other items used as targets. Remember, shooters often use the bays for prone shooting and such trash can still cause injuries.

Leaving bays in disarray is both disrespectful to other members and a safety issue.

WARNING: CERTAIN .30/06 AMMUNITION SHOULD NOT BE USED IN SURPLUS RIFLES

The CMP advises to not use .30/06 ammunition in M1 Garands, 1903s, and 1903A3s that is loaded beyond 50,000 CUP and has a bullet weight more than 172-174gr. These rifles are at least 70 years old and were not designed for max loads and super heavy bullets. Always wear hearing and eye protection when firing an M1 Garand, 1903 and/or 1903A3 rifle.

FROM THE GROUNDS CHAIRMAN, JEFF WEBBER

Workday credits for Tom Jameson, Andy Gallmeister, Lorne Young, Chris Oliva, Matt Cooper, Gregg Hardy, Tom Donnelly, Dave Hetherington, Mark Owens, Steve Slow, Chester Bradford and Matt Wadlington.

For the May Workday:

I want to thank the guys who came out for the April workday despite the potential for rain. Your efforts are really appreciated.

For the May workday we have 2 major tasks to complete. The lighting on the back bays must be finished. I need electricians and a lot of helpers. Bring your ladders and cordless screw guns.

Also, I need a lot of help with the weed eaters before it all gets out of control.

There are a lot of other things to do so come on out and get in your workday before the heat sets in!

See you at the range.
Jeff Webber

LOST AND FOUND

Members continue to leave items behind at the range, and other members are great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.
