FROM THE PRESIDENT, JOE LUTZ

Ladies and Gentlemen of Red Brush,

I had a request from Vanderburgh County Sheriff's Deputy Thad Zuber. His request is to announce a

Charity Gun Raffle for Jason Cuttrell (Vanderburgh County Sheriff's Deputy).

**Drawing Conducted on September 26, 2020 at 5:00 PM
LawMan Tactical
1936 North Green River Road, Evansville**

The following guns are to be raffled:

- Spikes Tactical Rifle (.223)
- Daniel Defense Rifle (.223)
- DPMS Rifle (.223)
- Henry Golden Boy Rifle (.22)
- Glock 19 (9mm)
- Glock 44 (.22)
- Taurus Judge (.45/410)
- Spikes Tactical Pistol (300AAC)
- Freedom Ordnance Pistol (9mm)
- Colt Cobra Revolver (.38)

All winners must complete a Form 4473 and Pass a NICS Background Check.

Ticket Prices are ONE (1) for \$50 or THREE (3) for \$100

Jason has been with the Vanderburgh County Sheriff's Department for eight years. During this time, he has been a Correctional Officer, Deputy, and Field Training Officer. Jason was recently diagnosed with a serious illness. He is married with two sons ages 11 and 5.

Anyone who chooses to assist this cause may purchase ticket(s) at LawMan Tactical or by contacting Thad Zuber at (812) 708-0476.

Respectfully,
Joe Lutz

- 1920 Commercial Luger .30 cal. Excellent condition. \$1000.00.

FROM THE RANGE OFFICER, FRANK FINDLEY

PLEASE DO NOT USE BARRELS AS TARGET BACKERS

We had more instances of plastic barrels being used inappropriately as target backers. They are primarily for use as props by the leagues. Shooting into them makes them dangerous for that purpose and therefore unusable. Use of them as target backers constitutes destruction of range property and can result in suspension or expulsion from the club.

AIR CONDITIONING AND DRINKING WATER AVAILABLE IN THE MEMBERS ROOM

With the outdoor temperatures increasing, heat exhaustion returns as a threat. Remember that the members' room is air conditioned and water coolers with drinking water is provided there. If you should find that the water is running low, please let an officer know so that we can get the coolers resupplied.

LINE COMMANDS MUST BE USED WITH THE DOWNRANGE WARNING LIGHTS/ALARM ON 400/500-YARD RIFLE BAY

We had another report of improper member use of the downrange warning system. Instead of using line commands to first clear the line, a person flipped the switch and preceded downrange while others were still shooting.

The 400/500-yard rifle bay has a downrange warning system which consists of lights and a brief alarm. This system consists of multiple switches installed on the posts of the shelter. When any of these switches are flipped on, flashing lights turn on and a brief alarm sounds. Multiple switches can be flipped on and the lights will not turn off until all the switches are flipped off.

To use, first make eye contact with each person on the line and verify with each that they are ready to go 'clear'. Each person going downrange should then flip on the nearest switch to their bench. Then as each person returns, they will only flip off their own switch. This way the warning lights will remain on until all shooters return to their station. Even after all people have returned and the lights are off, the range is still considered 'clear'. Shooting can only commence when it is verbally confirmed with each that they are ready to go 'hot'.

If you see someone proceeding downrange without first ensuring the line is clear, please stop them and explain the proper way to change bay status.

FROM THE GROUNDS CHAIRMAN, JEFF WEBBER

I would like to congratulate Mark Leeds, Brent Wilson, Terry J. Rising, Greg Hardy, Kevin Dugan, Mark Buddemeyer, Doug Hurt, Kyle Alten, Michael Lukens, Dave Hetherington, Adam Lechonburger for earning their workday credit.

We had a great workday for such a small crew. I want to thank you guys for such a great effort. There were many noticeable improvements accomplished. The table crew was able to get the new tables built and installed on Pistol bay 1 and the 500-bay shelter. Also, we were able to get the buried cable run to the back bays for the electric hookup.

Special thanks to Dave Hetherington for hauling out the rental trencher and Adam Leonberger for cleaning out the back of his truck and hauling out the electric cable.

For the next workday, I need painters, painters and more painters. We are going to finish the painting on the shelter on the back bays. We got a heck of a start and I want it finished. Bring some ladders if you have them. This will be work in the shade!!!

Now I need an industrial electrician to help me with the incoming power distribution panel. Please contact me so we can look at it and decide on a plan to connect the new bays. One last request, there has been a lot of trash left out on the range. Please pick up after yourselves. If I must expend my resources to clean this up on workdays, I have less ability to make improvements. This is our range, please respect it.

See you at the range.

Jeff Webber

LOST AND FOUND

Members continue to leave items behind at the range, and other members are really great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or mikemaurer@wowway.com) or Joe Lutz (812-431-3672 or joerlutz3@gmail.com).
