Winner of the Gun of the Month  
Raffle may choose either firearm!  
Tickets only \$10!

## S&W 22 LR Victory

(stock photo)

## FROM THE PRESIDENT, JOE LUTZ

Red Brush will return to in person monthly BOD and general membership meetings on April 1, 2021. The BOD will meet at 7:00 PM with the regular meeting beginning at 7:30 PM. The April meeting will be at the range.

As the CDC has relaxed restrictions for gatherings of fully vaccinated individuals, they continue to recommend the wearing of masks, social distancing and hand washing in large gatherings for those who are fully vaccinated and those who have not received the vaccination. In accordance with the CDC guidelines the wearing of a mask is still being recommended.

Respectfully,  
Joe Lutz

## NEW RANGE EVENT, CHESTER BRADFORD

Late last year we announced at one of the club meetings that we were trying to get interest in 22 rimfire shooters to come out on Wednesday night, weather permitting, with the AR 15 match schedule. Through the winter we have played around with the targets and yardages. Currently we are shooting 10 shots at 50 yards and 10 shots at 100 yards. Set up starts at 5:30 PM and match starts at 6 PM. We have divided the classes in youth (15 and under) and adult. Please consider bring out your sons and daughters to this fun event and to get them involved in the game of shooting. Currently the rules are not hard set, are primary goal is to get people involved.

For more information, please contact Chester at 812 431-5254 and [chetbradford@yahoo.com](mailto:chetbradford@yahoo.com).

## FROM THE 2021 YOUTH DAY CHAIR, CHARLES HALLAM

Reminder for the 2021 Youth Day pre-registration at Red Brush. The pre-registration will be done through [www.Redbrush.org](http://www.Redbrush.org) (see below flyer). For our members, this is worth a workday credit to all volunteers. More to come!

Thank You,  
Charles Hallam

## FROM THE RANGE OFFICER, FRANK FINDLEY

### REMINDER: SHOTGUN AERIAL TARGETS ALLOWED ON BAY 10 and 400/500

There was some recent confusion as to where shotgun aerial targets can be shot. The use of shotguns to shoot hand and machine thrown clay pigeons is permitted but restricted to two designated areas: Bay 10 and the 500 Yard Rifle Bay when otherwise not in use. All shots at aerial targets must be to the South.

When using Bay 10, the aerial target station should be set up at the far corner to the East of the firing line so that the clays fly over the open area to the South. This is to prevent pellets and broken targets from raining down onto other bays.

When using the 500 Yard Rifle Bay, the station must be set up adjacent to the 400 Yard Rifle Bay firing line so that it becomes an extension of that firing line. This means that those shooting aerial targets must coordinate line status (when “hot”, “clear”, etc.) with those using the 400 Yard Rifle Bay. It is important to monitor activity on the 400 Yard Rifle Bay so that anyone who enters that area knows that an aerial target station is in operation and coordination is needed.

### PLEASE REVIEW THE RANGE RULES & REGULATIONS

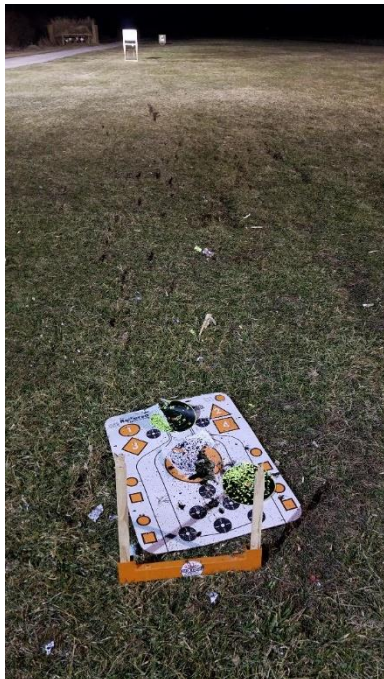

Every member is responsible for reviewing the Range Rules and Regulations at least once a year. If you have not done so recently, please do as there were several changes in 2020. These updated range rules are posted on the Red Brush website: <http://redbrush.org/wp-content/uploads/2020/10/Appendage-D-Range-Range-Rules-11-1-2020.pdf>

### WE MUST CLEAN UP WHEN WE ARE DONE SHOOTING!

It is the responsibility of each member to clean up after they are done at the range. This includes:

1. Return target stands to the storage area near the firing line. This will prevent the stands being hit by rounds damaging them and producing unpredictable ricochets.
2. Sweep up spent casings. This can be a slipping hazard. Brooms are provided on the bays for this reason.
3. Take ‘dud’ rounds home with you or place them in one of the dedicated buckets. Do not place them in trash barrels as the trash may occasionally be burned.
4. Deposit your trash in the provided barrels; especially any cans, plastic bottles, and other items used as targets. Remember, shooters often use the bays for prone shooting and such trash can still cause injuries.

Please do not leave the bay looking like the below recent picture. It is both disrespectful to other members and a safety issue.

## FROM THE GROUNDS CHAIRMAN, JEFF WEBBER

Bruce Russell, Doug Sprick, Brett Mansfield, Brandon Woolems, Adam Bowman, Doug Salm, Mark Compall, Jason Frederick, Jeremy Schaefer and Joe Lutz.

I want to thank everyone who came out for the 1st workday of the year. We got off to a good start and the range looks great.

For April I need a carpentry team. I plan on replacing the table tops on several of the built in tables on bays 3 thru 5. If you can help with this task please let me know.

We now have our electric run to the back bays!!! Bring out your electrical tool bags and we will start lighting things up.

Are there any gutter contractors in the club? We need gutters on some of the bays. Please call me if you can help.

See you at the range.  
Jeff Webber

## LOST AND FOUND

Members continue to leave items behind at the range, and other members are great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or [mikemaurer@wowway.com](mailto:mikemaurer@wowway.com)) or Joe Lutz (812-431-3672 or [joerlutz3@gmail.com](mailto:joerlutz3@gmail.com)).
