Sun – Thu 6:00 AM – 10:30 PM

Fri – Sat 6:00 AM – 12:00 AM

FROM THE PRESIDENT, JOE LUTZ

Ladies and gentlemen of Red Brush:

The BOD made a very tough call recently. Due to multiple concerns, chiefly due to the Omicron variant, the consensus of the BOD was to not go forward with the February Auction Night. Discussion for scheduling this event at a later date will occur. Please watch for the monthly newsletter and/or email alert for any update for this event.

There will still not be a February meeting as it was cancelled last month.

Respectfully
Joe Lutz

FROM THE MEMBERSHIP CHAIRMAN, MIKE MAURER

The “2022 Membership Renewal” period for paying the annual dues has officially closed, although I am working with several members with special difficulties getting their dues paid. We ended 2021 with 1363 members. We are beginning 2022 with 1297 paid renewals and expect a few more very soon. We had 32 new members join in January. I made last-ditch phone calls to those who had not paid and left messages or talked to them. Twenty-five paid within a few days, 35 have not replied, 9 decided not to renew, 4 have moved, 2 are deceased, 1 is on military duty and another 1 is temporarily out of the country on business.

Thanks, Mike Maurer

LOST AND FOUND

Members continue to leave items behind at the range, and other members are great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or mikemaurer@wowway.com) or Joe Lutz (812-431-3672 or joerlutz3@gmail.com).

FROM THE RANGE OFFICER, FRANK FINDLEY

Quick Use of AED Saved a Life at Shooting Competition

This insightful article from *NRA Women* was recently forwarded to me. It documents how the quick application of an Automated External Defibrillator (AED) saved a life at a shooting competition:

<https://www.nrawomen.com/content/we-are-our-own-first-responders/>

We Are Our Own First Responders

Thanks to the quick action by those on site—and a portable defibrillator from a very prepared bystander—a cardiac event at a shooting competition had the best possible outcome.

One fact cited in the article is that for every minute that passes without treatment, a person's chance of surviving a cardiac incident is reduced by 7 percent to 10 percent. So, waiting 10 minutes for professionals to arrive with an AED drops the chance of surviving to 30 percent or less. With this reality, innovative companies are now experimenting with AED delivery drones:

<https://www.newsweek.com/drone-saves-cardiac-arrest-patient-life-medical-first-defibrillator-everdrone-1666691>

'Truly Revolutionary' Drone Saves Cardiac Arrest Patient's Life in Medical First

Lucky for us at Red Brush, we do not even have to wait for a drone. We have an AED in our members room available 24/7! It is easy to use as the AED will provide voice prompts walking one through the steps. The AED will analyze the heart's rhythm and decide if a shock is needed. So please be aware that this life-saving piece of equipment is available.

Reminder: Please Review Range Rules

Every member is responsible for reviewing the Range Rules and Regulations at least once a year. Though there were only minor changes to the rules in 2021, it is still important to refresh our memories. The most recent version is posted on the Red Brush website so please download it and make time to review: http://redbrush.org/?page_id=303

Reminder: Leave the Bathroom Heaters On and Doors Closed

The bathroom heaters have been turned on to prevent the water lines from freezing. Please do not turn them off. Also, please take a minute to make sure the doors to the bathroom are closed. These electric heaters are expensive to run and cannot protect the water lines from freezing if a door is left open.

FROM THE CIVILIAN MARKSMANSHIP PROGRAM (CMP), MIKE RASCHE
