LOST AND FOUND

Members continue to leave items behind at the range, and other members are great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or mikemaurer@wowway.com) or Joe Lutz (812-431-3672 or joerlutz3@gmail.com).

FROM THE RANGE OFFICER, FRANK FINDLEY

PLEASE CLEAN UP AFTER SHOOTING INCLUDING PUTTING BARRELS BACK

It is each member's responsibility to clean up their space after shooting. Ideally, each of us should strive to leave the range cleaner than when we found it. This includes sweeping up brass, bringing target stands back to the line, and disposing of refuse.

One of the biggest headaches as of late is the barrels normally found on Bay 5 not being returned to their proper location along the side berms of that bay. In one instance a league shooting over a two-day period on a reserved bay found the barrels stacked up along their entire firing line the morning of the second day. Having to move them resulted in a delay to that day's event.

In another instance, two dozen barrels and several target stands were spread across Bay 4 and left.

One of the wonderful things about Red Brush is the effort made to provide for a diversity of shooting disciplines which can be accommodated. These barrels are particularly useful as stands for impromptu firing lines, simulated walls, and to denote shooting stage areas. They are valuable props, especially for those who practice tactical shooting. But if this problem persists, it is likely that the barrels will be removed. So, if you enjoy using these barrels, please take action and put them back in the proper place when you are done. And if you see others using them, please remind them to do the same.

FROM THE GROUNDS CHAIRMAN, JEFF WEBBER

I would like to thank those who came out for the July workday. They are James Aylward, Robert Stasi, Jim Rumble, Adam Bowman, Wade Kimbrell, Brandon Woolems, Jon Deviller, Neal Sullivan, Larry Steinkuhl, Chuck Venditti, Mark Slow, Shannon Champion and Mark Haymond.

Greetings everyone.

We had a great day for the July workday. It was cooler as predicted (after the rain got everyone wet) then it got hot. I want to thank those who came out and got our range cleaned up.

The forecast for the August workday looks even better, it should be cool and breezy. I plan on a lot of painting as the weather has yet to cooperate in this task, so wear your painting clothes. Also, I need some electricians to work on fans and bays lights.

One last big task I have is the berm maintenance. I need someone with equipment to cut the growth on our berms. If you have or know someone with any equipment that can help, please contact me.

Thanks everyone.
See You at the Range.
Jeff Webber

- **Appleseed Pistol Clinic – August 19th**
For the first time at Red Brush, we will be hosting a one-day Appleseed **Pistol** Clinic! We will be bringing in some outstanding trainers for this first event while we get this new program started at our range.

Pistol Clinics

We are pleased to offer Appleseed Pistol Clinics. Our pistol clinic is a fun challenge for everyone, even those who have qualified with pistols in other programs. The program is beneficial for folks who have no pistol experience or have some experience shooting pistols but want more instruction on use for personal defense.

This class focuses on defensive techniques such as rapid target acquisition and engaging multiple targets. It covers proper grip, stances, and the steps of firing the shot. It does not include drawing and firing from a holster, so a holster is not needed to participate. It is a challenging course of fire and we think it is a lot of fun. Pistols and revolvers of all handgun calibers are welcome with typical defense calibers (e.g., 9mm, 45 ACP, 40 S&W, 38 SP) being the most popular. Many shooters choose to bring a .22 LR caliber pistol for initial instruction and for practice.

Of course, an Appleseed Pistol Clinic includes the signature revolutionary war history for which the Appleseed program is known. The history shared will include stories you won't hear at our rifle events.

The price for this one-day clinic is only \$75. There is a discount for military active/reserve & guard, law enforcement officers, disabled, re-enactors in period dress, and elected officials which lowers the price down to \$40. There is also a \$5 range fee for non-members of Red Brush Rifle Range.

Due to national and state restrictions, attendees must be 18 years of age or older.
