MEMBER APPRECIATION NIGHT / AUCTION, JEFF WEBBER

Friday February 2nd at the National Guard Armory

DOORS OPEN AT 5:00 PM FOR UNLOADING OF YOUR AUCTION ITEMS.

THIS EVENT IS FOR RED BRUSH MEMBERS, THEIR FAMILY OR ONE GUEST. THIS EVENT IS NOT OPEN TO THE GENERAL PUBLIC.

The format is the same as previous auctions. The food, snacks, and drinks are free. BBQ will be provided by Marx BBQ, and will be served beginning at 5:30 PM.

Auction Activities will start at 6:30 PM.

There will be two ways to sell your items. One is through the live auction. The other, for smaller, low-ticket items is through the silent auction venue. [Attached are forms](#) for labeling your items for the live auction and listing items for the silent auction.

This event is paid for through your donations to red brush by purchasing gun raffle tickets.

The Six Gun Raffle Packet contains six tickets for six guns with a bonus ticket for a separate, seventh gun drawing. The packet is available for a donation of \$50.00. **This year's bonus gun is a new stainless steel Colt Python.** A single ticket for the six-gun drawing is a donation of \$15.00. The bonus gun ticket is only available through the six-gun raffle packet.

Red Brush encourages everyone to attend to make this a successful event. For more detailed information, such as the firearms that are available, please see the [below flyer](#).

RED BRUSH GUN OF THE MONTH

LOST AND FOUND

Members continue to leave items behind at the range, and other members are great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or mikemaurer@astound.net) or Joe Lutz (812-431-3672 or joerlutz3@gmail.com).

FROM THE RANGE OFFICER, FRANK FINDLEY

PLEASE WATCH FOR THIS: HANDLING OF FIREARMS WHEN OTHERS ARE DOWNRANGE

We have had several reports of people handling their firearms when others are downrange. So, we could really use members' help in watching for this and reminding others not to do it.

Firearms should never be handled while others are downrange. You must wait for all individuals to be behind the firing line before handling your firearm for any purpose including putting it in a case and adjusting sights/scope. When anyone is downrange, all unholstered firearms must be **unloaded, laying on bench/stand/ground untouched** with the muzzle pointed straight forward towards the back berm. This includes having the magazine out, action locked open (if possible), and safeties on (if possible with the action open). Handguns can be secured in appropriate holsters on the body, but care must be taken that the hand does not touch the holstered handgun during these times.

RANGE SAFETY MONITOR PROGRAM IS BEING FULLY REACTIVATED

During the COVID pandemic, our range safety monitor program diminished as we could not meet as planned. We are now fully reactivating the program.

Who are the range safety monitors? They are Red Brush members who volunteer to once a month walk over the range checking for safety items and helping others. Here are some examples from the many positive things our Range Safety Monitors did:

- Helped a new member better understand his firearm and hearing protection.
- Identified an open, unmonitored gate.
- Relocated a shooter with an AR15 pistol from bay 1 to a bay appropriate for its caliber.
- Identified discharged fire extinguisher in member room.
- Found a lost spotting scope.
- Instructed a member on the proper line commands and use of the downrange lights.

Range Safety Monitors can also be called upon to monitor the gate during times when they need to be open for construction or other purposes.

If you are interested in becoming a Range Safety Monitor, please drop me an email at ffindley@sbcglobal.net and I can get the details to you. It is an easy way to contribute to Red Brush that makes a substantial impact. And all range safety monitors will be given a cool new hat!

- Mail - Civilian Marksmanship Program, ATTN: Sales, 1401 Commerce Blvd, Anniston, AL 36207
- Fax - (256) 831-8331

Documentation to order ammo includes proof of U.S. citizenship and membership in a CMP Affiliated Club or Special Affiliate (see https://thecmp.org/cmp_sales/eligibility-requirements/ for detailed information).

Customers placing a surplus ammo order through the CMP E-Store will not need to provide Form 2A (those individuals will check a box that states they are not a felon before completing their order). Customers that purchase surplus ammo in-person at our stores or at CMP events must provide Form 2A if they do not have one on file or if it's expired.
