FROM THE PRESIDENT, JOE LUTZ

YOUTH DAY, CHARLES HALLAM

The pre-registration for the 2024, Youth Day at Red Brush will open March 1st at www.redbrush.org. The overall attendance will be limited.

FROM THE DNR, JIM MICHAUD

Members, the hunter education class has been set up for Saturday August 17th, from 08:00 to 16:00, and on Sunday August 18th, from 08:00 to about 13:00 or 14:00 depending on Class Size. The hunter education class allows future hunters to be able to hunt safely and is required to get an Indiana hunting license.

The current plan will be to use the new club house on these two days, and to do shooting on Sunday on Bay #2 for 22 rifles and Bay #10 for shotguns. This is rare in our area, as most DNR Hunter Education Classes do not do shooting.

The Board of Directors has also **approved workday credits for Club Members that volunteers**. If you are a certified DNR instructor, and willing to assist, please send me an email to james.e.michaud@gmail.com, with the subject titled “**RBRR DNR Class**” with your preferred area of instruction. If the DNR supplies the firearms and ammo, TBD, and would like to be a range coach, as we do on Youth Day Shoot, please also send me an email with the above subject and your qualifications as a coach. If I find in the future that we cannot get firearms and ammo I will let you know what we may do or have to not do the shooting.

If you are a DNR Instructor remember that you need to get your class hours every two years. If you would like to be a DNR instructor, helping the youth, young adults and adults keep our hunting sport going please send me an email to the above with your contact information, so I can get the process going.

Currently Charles Hallam has volunteered his time, shotgun and .22 rifle for the event. I hope that that DNR will be able to provide guns and ammo, but if not this is greatly appreciated.

As of this date, there are four signed up to take the class.

Thank You,
Jim

FROM THE GROUNDS CHAIRMAN, JEFF WEBBER

I want to thank everyone who came out for the May workday. They were Samm Meier, Jim Rumble, Wes Knight, Clayton Knight, Sack McRae, Robert Staci, Mark Wilson, Jawb Hall, Tim Silveira, Alex Iacompo, Charlie Oran, Tony Hornbeck, Keith Toone & Dave Hetherington. Special thanks to Charlie Oran of American Eagle Tree Service for sending out his crane and bucket truck to set the light poles.

For the June Workday I still need carpenters to finish building the tables, bring your tools please. Also, we will be replacing one of the poles of the bay 2 shelter, we will need something to break up the concrete under the existing pole. I will also need electricians to run conduit and pull wires on the new light poles. I'll have painting and other general maintenance tasks, and a lot of weed eating, we are going to attack the 500 range and the 375 bunkers.

See You at the Range.

Jeff Webber

LOST AND FOUND

Members continue to leave items behind at the range, and other members are great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or mikemaurer@astound.net) or Joe Lutz (812-431-3672 or joerlutz3@gmail.com).

FROM THE RANGE OFFICER, FRANK FINDLEY

DESIGNATED SAFETY AREAS NOW AVAILABLE

You may have noticed a new range feature, Designated Safety Areas between several berms.

These are now open to all members, instructors, leagues, and events to use. The board has approved the following addition to the range rules and regulations to govern their usage:

Section 19: Range Specific Rules

G. Designated Safety Areas (DSAs)

Designated Safety Areas were built between some berms. These areas are designated by “Safety Area - No Ammo Handling” signs.

DSAs are no shooting areas. They are for non-shooting activities such as the inspection of unloaded firearms, the transfer of unloaded firearms from a case to a holster, dry practice, and the cleaning/repair/maintenance of malfunctioning firearms. Handling of ammunition, loaded ammunition feeding devices (e.g. magazines, clips, speed loaders, linked cartridges), dummy ammunition, snap caps, simunitions, or training rounds is not permitted in these Designated Safety Areas.

DSAs may be used by all members, instructors, leagues, and events for purposes such as the above.

BEWARE: FAKE INDIANA GUN RIGHTS GROUP SCAMMING GUN OWNERS

There are reports that some Indiana gun owners have been swindled into contributing to a fake “no compromise” 2A group by the name Indiana Firearms Coalition. The individuals involved reportedly had fraudulent organizations shut down in other states. Please see the following article and video for details:

<https://www.ammoland.com/2024/05/patriots-beware-of-new-scam-no-compromise-2a-group-in-hoosier-state/#axzz8bBV9dsPP>

<https://youtu.be/85WFnVzLENA>

The Red Brush Board of Directors, has recognized our affiliates and other 2nd amendment organizations here: https://redbrush.org/?page_id=931. The groups on this list are legitimate and worthy of support.

RANGE SAFETY MONITOR PROGRAM: KICKOFF MEETING ON JUNE 22

Thank you to everyone who reached out to join the Range Safety Monitor Program. You will receive an invitation email for a kickoff meeting on June 22 at 2 PM. We had hoped to have it in May but some conflicts arose.

If you are interested in becoming a Range Safety Monitor, please drop me an email at ffindley@sbcglobal.net and you will be added to the list.

NSSF LAUNCHES GUN STORAGE WEEK: JUNE 1-7

The *National Shooting Sports Foundation* has launched a new initiative, Gun Storage  Week. The goal of Gun Storage  Week is to remind millions of gun owners to take a moment to review their firearm storage practices and improve them, if necessary, to help prevent accidents, suicides, and thefts. No gun owner wants their firearm in the hands of someone who may do harm to themselves or others.

During the week of June 1 to 7, you will see promotions on social media and in retail outlets. Details on good gun storage practices can be found at: <https://gunstoragecheck.org/>. You can even sign up there for the chance to win one of 25 lock boxes donated by ShotLock.

GUN STORAGE

MAKE SURE IT'S SECURE.

Secure storage helps prevent accidents, suicide and theft. A cable lock, gun case, lock box or full-size safe can prevent unwanted access of your firearm in your home or vehicle.

The 400-yard range will be closed during this time.
