## FROM THE PRESIDENT, JOE LUTZ

Ladies and Gentlemen of Red Brush

The election for the Board of Directors will be held at the November 7<sup>th</sup> meeting. Each year seven of the twenty-one positions are open to individuals wishing to run for the Board. Those members 20 years and older, in good standing for thirteen months, wishing to run for a Board of Directors position may do so. Those interested need to contact Club Secretary Russell Osborne, (812) 431-5703, or any Board member by October 24, 2024.

Respectfully,  
Joe Lutz

## FROM THE RANGE OFFICER, FRANK FINDLEY

### WATCH FOR FARMING NEIGHBOR TO THE WEST OF THE 500-YARD BAY

When using the 400- and 500-yard rifle bays, please be on the lookout for farming on the lot to the West of our fenced property. With harvesting time here, our neighbor will be in that field. When they are working South of our shooting lines, please call a cease-fire, unload your firearm, and put on the downrange light. Suspend all shooting until they are no longer downrange.

### RED BRUSH SAFETY Orientation major Milestone

In 2016, the Board of Directors instituted a mandatory safety briefing for new members. The goal of this orientation was to gradually establish a common level of base knowledge among the membership on matters of range safety and etiquette. After eight years we have hit a major milestone. Over 50% of all active members have now attended a safety briefing! And it is not just the primary members. We have had spouses and entire families attend.

Thanks to everyone who has participated in this program, with a special thank you to Ben Swartz and Mike Rasche for their contributions in refining the curriculum.

While this program was designed with new members in mind, existing members have reported taking away valuable information from it. If you would like to attend a safety briefing, please send me an email and we will put you on the invitation list.

## FROM THE GROUNDS CHAIRMAN, JEFF WEBBER

I want to thank Jonathon Kipling, Miki & Walter Estep, Kathy Herron, The Richard Klan (John, Jen, Bowen, Lily, Jaxon), Doug & Beth Kimmerer, Pete Tofini, Charles Callis and Kevin Snodgrass for their work done on August 31<sup>st</sup>. I would also like to thank Joe Birchler, Mark Dilger, Sterling Brinkman, Greg Patterson, Ryan Filson, Josh Cody, John Oxby, Derek House, David Pam Barron, Jerry Risner, Terry Haynes, Bret Rice, Kyle Rodionov, James Aylward, Kile Bosler, Adam Weil, Brent Erk, Kathy Herron and Chuck Welch for their work done on September 14<sup>th</sup>.

Big thanks to everyone who came out to the workdays, you made our range shine.

There is one workday left and it's going to be a big one. The entire range will be closed for this one.

I need everything, bring it all. Chainsaws, brush cutters, weed eaters, tractors with buckets and or box blades, ladders (need lots of ladders), Sawzall's, cordless drills and impact drivers and portable welders.

I have painting to do for everyone so bring your friends.

Thanks,  
See You at the Range,  
Jeff Webber

## LOST AND FOUND

Members continue to leave items behind at the range, and other members are great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.

Contact Mike Maurer (812-490-0949 or [mikemaurer@astound.net](mailto:mikemaurer@astound.net)) or Joe Lutz (812-431-3672 or [joerlutz3@gmail.com](mailto:joerlutz3@gmail.com)).

## APPLESEED, BEN SWARTZ

Our annual Known Distance Event this year will be on October 19<sup>th</sup> and 20<sup>th</sup>. Saturday will have instruction at 25 meters. Centerfire rifles are highly encouraged on Saturday. Sunday, we will move to the 500-yard bay to engage targets at distance. Centerfire rifles are mandatory for this portion of the shoot.

A “Known-Distance Appleseed” is a weekend-long program that teaches the secrets of shooting out to 400 yards, including target detection and ranging; measuring and compensating for wind; scopes and reticles; MOAs and mils, boxing your sights, battle-sight zero and come-ups, and much more.

Since this material requires previous exposure to the skills taught at an Appleseed, only students who have been to at least one Appleseed can attend a “KD Appleseed.” Experienced shooters will find that shooting successfully at “Rifleman distances” is a major confidence builder and an opportunity not to be missed!

Here is a link to the How to Prepare document: <https://appleseedinfo.org/pdf/How%20to%20Prepare%20-%20Known%20Distance.pdf>

You can sign up at <https://appleseedinfo.org/location/?locationid=152&eventid=9295>

## REVERE'S RIDERS, BEN SWARTZ

Revere's Riders – Carbine 1 & 2 – November 23<sup>rd</sup> & 24<sup>th</sup>

**Prerequisites:** Suggested—Rifle 125.

*If you have not attended Rifle 125, then you should be:*

- Able to reliably hit a 10" paper plate from the standing position out to 25 yards, kneeling at 50 yards, and prone at 100 yards.
- Able to consistently hit a 3×5 index card at 15 yards while standing.
- Familiar with basic operation of your carbine

*If you cannot meet the accuracy suggestion then you may be frustrated at carbine class and be better served learning the fundamentals of marksmanship at a Rifle 125 clinic.*

**Estimated Ammunition Required:** 250 rounds/day.

This course is conducted as an NRA [America's Rifle Challenge](#) clinic. Students will learn modern defensive shooting skills on the AR platform. Attendees will experience shooting in multiple firing positions at varying distances. While this course is named for the common round fired by the AR-15 (".223 Remington") any safe semiautomatic carbine can be used.

All firing in this course will be within 200 yards with a focus on the close quarters environment from contact to 50 yards. You will get a workout with all the skills needed to run the carbine from 7-100 yards.

Students learn:

• Rules for safe gun handling & range rules	• Emergency/Speed Reloads
• Carbine parts and operation & ammunition	• Failure to Fire
• Shooting Fundamentals	• Failure to Eject
• Firing Stance: Standing	• Double Feed
• Five steps to firing each shot	• Zeroing Carbines & Rifles
• Zero rifles as required	• Carbine Trajectory and Zero Issues
• Situational Awareness and Scanning	• Barricades
• Rapid Magazine Changes (Tactical Reloads)	• Movement
• Short Range Marksmanship Techniques	• Use of the sling to support shooting stability
• Tailoring the five steps to firing each shot to the close quarters environment	• Special Subjects (most one-day clinics will cover only a few of these; two-day clinics will cover most or all)
• Controlled Pairs	• Kneeling Position
• Recoil Management	• Prone Position
• Clearing Malfunctions/Stoppages	• Natural Point of Aim
• Firing from retention	• Field Stripping & Cleaning the AR-15

[Classic M1 Carbine Qualifier](#)

[Revere's Riders Carbine Qualifier](#)

This class is moderately physically demanding. We will be on our feet much of the day, moving between various positions on the range. We will be shooting from different positions throughout the day.

Please contact the event director if you intend to bring a different type of firearm other than an AR-15; we can probably accommodate learning on your preferred platform but want to ensure you will not be frustrated.

- **500-yard Precision Rifle Steel Open Member Days** Beginning in April, the 500-yard range will be open for members interested in shooting steel targets of various sizes at known distances. This will occur 1-3 weekdays per month. Set up will begin at 07:00 and break down at 11:30. These days will be posted on the calendar in the newsletter of the respective month. The 400-yard range will be closed during this time. We will do our best to coordinate this with the range schedule so that bay 4 is open for those interested in shooting paper etc. Eric Craig and Tom Ancona will be overseeing and acting Range Officers' for the 500-range on these days. We encourage anyone interested in long range shooting to come out and get involved! It should be a fun time and learning opportunity for everyone who chooses to take part (regardless of experience). We do ask that you have your rifle zeroed prior. We will be shooting steel only and spotting target impacts from the firing line. The line will remain hot unless target failure or other necessary reason to go cold.

The **CMP E-Store** is back LIVE! Commercial Ammo Sales now available. Visit the CMP E-Store at <https://shop.thecmp.org/>. Thank you for your patience during this transition.

We encourage customers to update their documentation to purchase surplus ammo over the next week as we prepare to launch FY24's surplus allotment at the end of the month. Customers may update their documentation in person at any of our CMP Store locations or may update through:

- Email – [custserve@thecmp.org](mailto:custserve@thecmp.org)
- Mail - Civilian Marksmanship Program, ATTN: Sales, 1401 Commerce Blvd, Anniston, AL 36207
- Fax - (256) 831-8331

Documentation to order ammo includes proof of U.S. citizenship and membership in a CMP Affiliated Club or Special Affiliate (see [https://thecmp.org/cmp\\_sales/eligibility-requirements/](https://thecmp.org/cmp_sales/eligibility-requirements/) for detailed information).

Customers placing a surplus ammo order through the CMP E-Store will not need to provide Form 2A (those individuals will check a box that states they are not a felon before completing their order). Customers that purchase surplus ammo in-person at our stores or at CMP events must provide Form 2A if they do not have one on file or if it's expired.

Please help us keep our sales running smoothly by updating your customer file before making a purchase on our E-Store. We appreciate your cooperation. Welcome back, shoppers!

## CMP SPECIAL NOTE

Effective June 26, 2024, customers are allowed to purchase up to six (6) bolt action rifles per year while supplies last. Current inventory of M1903 and M1917 rifles by grade is listed below. CMP also plans to release up to 1,000 Krag-Jorgensen rifles beginning in mid to late July. These have not been working so a grade break-out is currently unavailable.
