WORKDAY EXEMPTION

Members are required to perform a workday of service for the club annually.

Members are exempted from the workday requirement beginning the year they are age Sixty Five (65) on January 1.

Members who are severely disabled and are in fact unable to perform a workday of service on the range grounds or in another capacity may declare their disability and be considered by the Board of Directors for an exemption from a workday requirement and penalty.

New Members joining in the months of September through December are exempt from a workday fine for the current year, upon renewal.

WORKDAY CREDITS
Members given a workday credit should have their names appear in a monthly newsletter.

The following is a list of Board approved workday credits:
Serving on the Board of Directors and completing the year term satisfactorily.
Working on a scheduled range maintenance day.
Working on a special project approved in advance by the Grounds Chairman.
Work recognized as worthy a workday credit by the Grounds Chairman.
Working in the annual Youth Day event.
Cleaning the firearms used after the Youth Day event.
Working in the Tecumseh High firearms training.
Working at the Club annual auction.
Certain special duties assigned by the Board or an Officer of the Board beyond the normal expectations of a member.

Providing a service of benefit to the club, approved by the Board may result in a workday credit.
The Internet Web Masters
The Publisher of the newsletters
Branch Committee Chairman
FFL Dealer for the gun of the month

Types of work not approved as a workday credit
Work related to one's pursuit of the shooting sports.
Cleaning up your own mess.
Routine requirements expected of all Members all the time.
Work done without prior approval that is not verifiable or judged unworthy by the Grounds Chairman.
